

REMOTE CLASSES

In light of the coronavirus outbreak and the subsequent closure of JACAD studios at Pinewood, we are going to trial the implementation of online classes across the school.

We will be using the meeting platform Zoom to deliver remote classes that pupils can do from home. These will be live and delivered by the JACAD teachers from their own homes.

Please bear with us as we try to make this work, as technology can be unreliable, but we hope that this will provide a feasible alternative for our dancers to continue to train during this challenging time.

Please see the following pages for instructions on how to participate.

TO PARTICIPATE:

- Download the Zoom app for desktop computer OR mobile in order to join the classes

For Desktop: <https://zoom.us/pricing> (choose free plan) download desktop app and install. You will need to give this app access to your microphone & video camera which you may need to test/enable.

For Mobile: Zoom Cloud App on the app store. Once again allow the app access to microphone & video to enable it to work.

- At the time of your class, you will receive an email with a meeting link. Open the email on the device you will be using and click the link at the top of the email to join the class. This should open in the app you have downloaded.
- Place your device at a distance where the teacher can see as much of your work as possible.
- Double click on the teacher to make their video feed the biggest on your device (as opposed to other pupils)

We anticipate there may be teething issues with this but we ask everyone to be patient and understanding as we try to make this work.

PLEASE NOTE

If you are unable to access the app or software for any reason, speak to Jayne as we may be able to provide a video recording of the class afterwards.

TERMS AND CONDITIONS

- JACAD is not liable for any injury or accident that occurs while pupils are in their own home.
- Parents and pupils are responsible for providing a safe space in which to dance.
- We understand that some floors may not be suitable for certain things – jumps, tap shoes etc, and we ask that pupils adapt their movements accordingly.
- Participation in the online classes assumes acceptance of the above.

We will be issuing an amended schedule and this could change daily so please continue to check your emails and the JACAD website and Facebook pages daily.

I would also like to remind all parents to please make sure we have all your current contact details. We are asking ALL PUPILS to fill out a new enrolment form at www.jacad.co.uk/enrol in order to ensure our database is fully up to date – even if you have filled out an enrolment before.
